ABOUT VENDOR STATUS

All new vendors begin the market as a Daily Vendor. Once you have attended market regularly for 6 months, you may apply to become an Annual Vendor. Annual Vendors pay a reduced fee, receive a dedicated spot and must commit to attending market 46 weeks out of the year (unless their product is seasonal).

BECOME A PART OF MARKET

The Owen Sound Farmers' Market is a co-operative governed by a Board of Directors. As such, we encourage all vendors to participate in the maintenance and growth of our market! There will be opportunities for volunteering, event planning and fundraising! If you have great ideas, consider joining our Board or starting a committee. New Board members are elected at our Annual General Meetings.

ABOUT THE APPLICATION PROCESS

The Board of Directors meets once a month to review applications.

You will be contacted by the Market Manager regarding the Board's decision.

If you are not accepted, your application will be put on file for one year.

We aspire to keep our vendors and their products varied for our customers, which in turn makes it profitable for our vendors to attend. Sometimes an application may be declined because the Board has determined we are at maximum capacity for a certain product.

You may re-apply after one year for reconsideration.

Thanks for your interest in joining the Owen Sound Farmers' Market!
